

# Microsoft Office 365 ProPlus

Microsoft Office 365 ProPlus is available for current SAU students at **no cost**.

- Office 365 ProPlus is a full version of Office, which includes: Word, PowerPoint, Excel, OneNote, Outlook, and more.
- Each student can install Office 365 ProPlus on up to five home or personally-owned PCs/Macs and up to five mobile devices. Office mobile applications are accessible on iPhone and Android phones and automatically included with all Windows phones.

## Supported browsers in Office 2013 and Office 365 ProPlus

If you're using apps for Office, please see [Apps for Office on the desktop](#) or [Apps for Office in the browser](#) in the sections below for more specific requirements.

## Minimum Browser Requirements

If you want to get the best out of Microsoft Office when using features with a browser, here's the minimum browser version to use.

- At least Windows Internet Explorer 9
- At least Mozilla Firefox 12
- At least Apple Safari 5
- At least Google Chrome 18

## Installation on PC/MAC

- Log into your [student email account](#)
  - **Login:** username@muleriders.saumag.edu
  - **Password:**
- Once logged in, click on the Gear icon in the upper right corner of the screen and select **Office 365 Settings**.
- Select **Software** from the Office 365 Settings menu.

- Select the appropriate language and review the system requirements. *Note: If your system does not meet the specified requirements, use the links at the bottom of the page to install Office Professional Plus 2010.*
- Click the **Install** button to begin installation. The site will automatically detect your system (PC or Mac). The default is set to 32-bit as the recommended version. Click the arrow to select 64-bit if preferred.
- Save and Run the installation file and follow the prompts to complete the installation.

## Installation on Mobile Devices

- Go to your app store on your mobile device (iTunes for iOS devices, Google Play for Android)
- Search for **Microsoft Office Mobile** (Note: On iPad, you may need to change search setting to "iPhone apps only". The iPhone app can be used on iPads, but may not be compatible on 1st and 2nd generation iPads.)
- Install the app on your device.
- After the installation is complete, open the app.
- When prompted, enter your SAU student email address. Select Organization account and type your SAU student email password.
